

Boost your Business Resilience with a Black Friday discounted Crisisboardroom® Kit

The Crisisboardroom® kit is a unique and easily deployable toolkit to aid the management of crisis events. Crisisboardroom® kits are in use around the World and have proven themselves in several real-life crisis events. A recent testimonial from a Crisisboardroom® kit user – Roland, Operations Manager at a UK Law Firm; *“the information supplied in the Crisisboardroom kit allowed me to be fully prepped in advance of the meeting, not being an expert myself at dealing with disasters, it was a great help in making sure that I covered all aspects that I needed to cover”*.

The Crisisboardroom® Kits available during the Black Friday sale are:

Crisisboardroom® Classic – includes: Highly durable and portable hard shell wheeled suitcase, A full set of 52 colour coded wall boards including Quick Start, Site Recovery, Business Recovery and Command, Easy to follow crisis command process with checklists and how-to guides, a range of support tools and templates to make crisis command easy to implement. Ideal for a crisis team of 10+

Crisisboardroom® Compact - includes: Light and easily portable case, A concise set of colour coded wall boards, Easy to follow crisis command process with checklists and how-to guides. Ideal for a crisis team of less than 6. Can be used in conjunction with the Crisisboardroom® Classic to project crisis command to satellite offices and departments in other locations.

(see photos below and more details at www.crisisboardroom.com)

All Crisisboardroom® kits come with introductory training included in the price to ensure that the kit is understood and implemented effectively.
